

Subject: **Help to grow the game: Volunteer for the Cheshire Golf Tournaments!** 📧

There is something special about the quiet hush of a gallery before a crucial putt, the sound of a perfect drive echoing off the tee, and the energy of witnessing elite-class athletes at the top of their game.

This year, **Cheshire Golf**, the England Golf County of the year, celebrates the 100th Men's Strokeplay Championship as well as over 40 other events and we want you to be the heartbeat of the event.

Why Volunteer?

Elite golf isn't just about the players on the leaderboard; it's about the community that brings the course to life. By joining our volunteer team, you aren't just watching history—you're helping write it.

- **Go Behind the Scenes:** Experience the inner workings of a County Golf event.
- **Feel the Energy:** Get closer to the action to observe elite players at their best.
- **Make an Impact:** Your support ensures a seamless experience for players. Improves speed of play and helps to grow the game with tournaments for juniors, men's, ladies and senior level competitors.

How You Can Help

Whether you're a golf fanatic or just love being part of a high-energy team, we have a spot for you. We need **Spotters** positioned on the occasional fairways during an elite tournament.

We will inform you of the Cheshire Golf Tournaments being run in 2026. You can offer one day or many for a tournament. If interested please email for more information:

Volunteers@CheshireGolf.org.uk

Let's make this year's **Cheshire Golf Tournaments** the best yet.

Best regards,

Geoff Linnell

Championships and Competitions Director
